Wendy Krebs, DVM, ACVS Veterinary Surgeon Resident

Mary Masterson, DVM

Jessie Evans, DVM

## **Bend Equine Medical Center Invites You To Join The Winners' Circle**

Winners' Circle is our way of saying thanks to the special group of horse owners who depend on BEMC for routine veterinary care as well as specialized veterinary needs. The Winners' Circle program gives owners the assurance that their horses are receiving the best preventative veterinary health care possible. In addition to providing the best possible preventative health care, BEMC is central Oregon's only veterinary clinic where an equine veterinarian is on call for emergencies 24 hours a day, seven days a week, year round.

### **Winners' Circle membership benefits:**

- *No daytime emergency fees—ever! After hours/weekend emergency fees still apply.*
- *Free annual health exam*
- *No charge for administration of vaccines and dewormers*
- *10% discount on all routine dental work*
- *25% discount on annual preventative blood work (chemistry & complete blood count)*
- *25% discount on annual fecal float to check for internal parasites*
- *Equine specialist always on call to answer questions and address equine emergencies*
- *Free admission to client continuing education courses*

**\*\*\*Total membership savings for all routine care = \$163.75\*\*\***

**\*\*\*Total membership savings for routine care + one daytime emergency = \$242.75\*\*\***

### **Eligibility for Winners' Circle membership:**

- Annual health exam from a BEMC doctor of your choice, during which we can discuss an individualized vaccination and deworming schedule that best suits your horse.
- Annual dental exam with any necessary work performed at that time.
- Purchase vaccinations through BEMC. These include at least once yearly vaccinations for Tetanus, Eastern & Western Equine Encephalitis, West Nile Virus, and Influenza. While these are the minimum we require, please note that we may recommend other vaccinations for your horse based upon their contact with other horses, travel/showing frequency, pregnancy, or other special circumstances.
- Purchase a yearly deworming package through BEMC.
- Good news for PreventiCare clients! BEMC clients whose horses are enrolled in the Pfizer PreventiCare program will automatically be enrolled as members in Winners' Circle.
- Account with BEMC must be kept in good standing.

By participating in the Winners' Circle program, you give us the opportunity to provide your horse with a health care program that best suits their individual needs. The program puts the focus on preventing disease in healthy horses, which is preferable (and less costly!) than treating sick ones. So how can you sign up? Simply call Susie or Ann and schedule an appointment for an annual physical, dental exam, vaccines, and deworming with any of our doctors. Make sure to mention that you would like to be enrolled in the BEMC Winners' Circle!
